Our Treasure Chest Of Knowledge

DEDICATION

For his willing cooperation with all student activities and his loyal support of the school, its traditions and ideals, we the staff of the 1949 Rosebud dedicate this thirty-sixth volume to Charles A. Overmeyer.

TREASURE CHEST

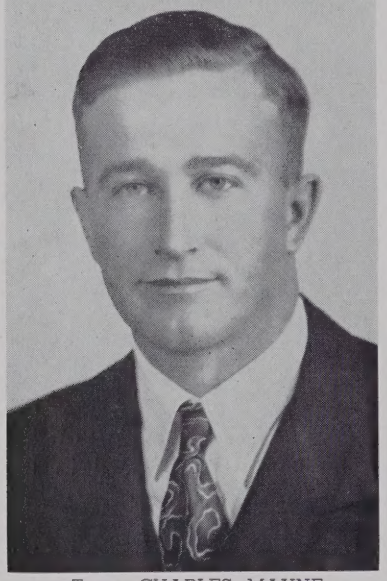
We the "Forty-Niners" in concluding our high school education have kept a record of our studies and activities in this book, our Treasure Chest of knowledge.

The "Forty-Niners" of a hundred years ago worked, struggled, and fought for gold. With this discovery of gold, people from every walk of life worked and struggled to get to California by two main routes. Hundreds perished on the 17,000-mile voyage around Cape Horn, or the 2,400-mile overland trail they followed to the tune of "Susannah." They had for a goal in life wealth of gold and silver.

But we have worked and struggled to obtain knowledge, which is our goal in life and which we believe will benefit us and our fellow men. In our struggle for knowledge in our regular academic subjects and through extra-curricular activities, we have learned to get along with our classmates. In our quests during the last twelve years, we have also been building character which is very essential for success in the life in this rapidly changing world. These things we prize more than gold or silver. We the modern "Forty-Niners" do not think of a treasure chest as a place for storing wealth in yellow gold as the original "Forty-Niners" did. We measure wealth, not in terms of gold, but in terms of knowledge and success in life.

To some of us, whose school days are over, our Treasure Chest is nearly completed, to others who will continue their education, it is only a beginning in their new search for wealth.

The following pages will reveal some of the wealth which our Treasure Chest contains.



Top: CHARLES MAYNE
Bottom: DONALD MYERS

SCHOOL BOARD

It would be difficult to choose the personnel of a school board who has the interest of the school more at heart than Mr. Shuman, Mr. Myers, and Mr. Mayne. Messrs. Myers and Shuman have a special school interest because they have children in school. Mr. Shuman, as a business man, represents business interests on the School Board. Mr. Myers, as a farmer, represents the rural people. While Mr. Mayne, a home owner and a traveling salesman, represents the citizens from another angle; in his travel he has a fine opportunity to observe business conditions and to become acquainted with school problems of other communities.

OTTO SHUMAN

In a modern high school of today, there is a great deal of office work to be done. During this present school year the office work was done by five girls. Dorothy Smith, a junior, worked during the activity period gathering the records of attendance from the various home rooms. She also obtained the number of pupils staying for lunch for the lunch-room.

MARIAN
DeWITT

Marian DeWitt, a senior, worked in the office for Superintendent Overmeyer, the third period. She had charge of the Disbursement Ledger, Fund Ledger, and Claim Docket.

DOROTHY
SMITH

Janice Shultz, senior, checked afternoon attendance and recorded the high school attendance in the register. She also takes care of the typing for the Athletic Department. In addition she helped with the permanent cards.

JANICE
SHULTZ

Charlotte Shull took care of the office the fifth period. She kept alumni records up to date, took dictations, typed, and wrote checks.

JOAN
McMASTERS

Joan McMasters, a junior, did general office work the last period. She obtained the final report of the day from the teachers on attendance. She helped with the grade cards.

SENIOR CLASS HISTORY

Twelve years ago, the present senior class, with bright expectant faces, presented itself to the first grades of various schools to delve into the mysteries of Readin', Ritein', and Rithmatic.

Of the thirty-four first graders who started here in '37 only nine, Robert Crooks, Janice Shultz, Walter Deetz, Marvin Geeting, June Smith, Raymond Fee, Robert Girardot and Douglas Speer, have remained to the end. The rest of the present senior class joined these, either in the grades, or in high school.

After going through the usual trials and tribulations of elementary students —quarrels, pranks and punishments, appearing in concerts, scrubbed and shining in new white dresses and ribbons, long pants and bow ties; we finally entered Junior High School, with Mr. Shore and Mr. McIntosh as our teachers.

We started our high school year with an enrollment of forty-six eager freshmen, full of enthusiasm and extreme ideas, which our new teacher, Mr. Leslie, immediately curbed and directed into the right channels. There were many new faces among us that year.

Our sophomore year was another which we enjoyed to the fullest. Those numerous class parties and roller skating parties which we sponsored were informative as well as enjoyable. Our teacher Miss Yoder was full of strictness as well as a lot of fun.

When we came to school as juniors, we missed several old faces. During this year we edited the school paper, "Through The Keyhole" and also gave a most successful Junior-Senior Reception under the sponsorship of Mrs. Voss. The songs of "Max" Lovett, were divine, and OH! what lovely dresses! Also we were guilty of giving the play, "Don't Darken My Door" during our junior year.

In September, as seniors we entered school with a new dignity befitting our classification. This year our biggest job was to edit the year book, "The Rosebud." We produced a play "Here Comes Charlie" under the direction of Virgil Graber. Also several paper drives throughout the year has been a source of our funds.

We will always be grateful to our parents and teachers for making it possible for us to arrive at this juncture of our educational career.

CLASS POEM

Hail the "Forty-Niners"
Flying white and royal blue,
With colors no where finer
We're displaying them for you.

Our school days slowly dwindling,
Our books are ripped and torn,
Some are used for kindling,
The rest are all forlorn.

Let's look into the future
And see what we can find
Is going to happen to
The class of "49".

Janice Shultz, stenographer,
Has gained such great success,
Robert Girardot mastered physics
And teaches at W. H. S.

Robert Crooks is a Doctor
And not too good, you'll find,
For "Pete" DeWitt, who is his wife,
Keeps him way behind.

Admiral Marks, our navy man,
Has sailed the seven seas,
And Frances Owen, nature artist,
Is painting birds and bees.

Douglas Speer, Insurance man,
Is in his father's shoes,
And Lee Muzzillo, arctic explorer,
Has got the arctic blues.

Now Lee Grate, bless his heart,
Has joined the Foreign Legion,
And Bill Patterson is making beds,
Up in the Polar Region.

As for Fee and Shull,
They're doing all right.
She stays home, with the kids,
While he goes out at night.

June Smith is married now,
She never did get to college,
She married "Al" from St. Joe
And forgot about knowledge.

"Rosie" Myers, a singer,
Always was off key,
Now she's got a harmonica,
And a banjo on her knee.

Walt Deetz, the eager beaver,
Owns four filling stations,
Florence Shady's gone to Russia
To study foreign relations.

Eleanor Cobbs has gone to college,
To learn all the "know-hows",
DuVern Carnahan is waiting on her,
Patiently milking his cows.

"Duke" Williams, the shy guy,
Who thought school was too much bother,
Stays at home reading his book
On "How To Be A Father".

Jean Shumaker, Senior Queen,
Has married "Sam" at last.
Barbara Camp has an office job
And she cannot be surpassed.

Harley Cobbs has fallen in love,
With little Mary Brown,
Forrest Rudolph, Mary's beau,
Is hunting Harley down.

Loren Bowers, the Rubber Man,
Is in the County Fair,
Jacqueline Noirot is an opera singer
And it's really hard to bear.

Charlotte and I are happy,
I haven't heard one complaint,
She never wanted to marry a poet,
And I tell you truly, I ain't.

CLASS HISTORY

In September, 1938, thirty-one shy pupils entered the first grade of the Waterloo Schools where Miss Bickel was our teacher. Miss Wisner and Miss Hamman guided us through the second and third grades. All of us are indebted to Miss Dirrim and Mr. Messmore who lent us a helping hand through the fourth and fifth grades. Mr. Gurtner was our teacher in the sixth grade while Mr. Shore served as our instructor in the seventh. Finally, Mr. McIntosh taught us in the eighth grade where our class consisted of twenty-nine pupils.

Our class, whose enrollment had now increased from twenty-nine to forty-five, entered the freshman class with Mr. Leslie as our sponsor. A year later our class became sophomores with an enrollment of thirty-eight and Miss Allman served as our home room teacher.

Arriving in the junior year, our class was now composed of thirty-five pupils. Mr. Graber was our faculty advisor for the year. Our class enjoyed a hayride, a skating party, and a house party. In order to raise money for the annual Junior-Senior Reception, the junior class sponsored the school concession stand. The juniors also produced a play during the month of March. Thus, our junior year was a busy one filled with hard work, but it is one always to be remembered.

SOPHOMORE CLASS HISTORY

In September of 1940, we, the first grade, entered school under Miss Getts. We had an enrollment of twenty-three students. By gaining some and losing some, we started the following fall with twenty-four pupils and were directed by Miss Wisner. In the third grade, there were twenty-two of us under Miss Hamman.

We were guided through the fourth, fifth, and sixth grades by Miss Dirrim, Mr. Shore, and Mr. Gurtner. Our home room teachers in the junior high were Mr. Shore and Mr. McIntosh.

From junior high, we passed into high school with Mr. Leslie as our home room teacher. As freshies, we managed to have more than our share of parties.

This year we had an enrollment of thirty-six pupils with Mr. Eppley and Miss Thompson as our home room teachers. At Christmas, we sold cards and wrappings as our money-making project. The purchase of our class sweaters was another high light of the year.

EIGHTH GRADE CLASS HISTORY

In the year of 1941 our mothers led us through the door of the Waterloo first grade and introduced us to Miss Mildred Getts, our teacher.

Miss Margaret Kelly guided us through the second grade and she was well liked by all. Miss Hamman helped us through the third grade. Through the fourth grade we were instructed by Miss Cleo Dirrim.

Mrs. Centa was our teacher in the fifth grade and we found Mr. Gurtner very helpful in the sixth grade, getting us ready for Junior High School.

Miss Altman, Miss Thompson, Mr. Leslie, Mr. Shore, and Mr. McIntosh guided us through our various activities in the seventh and eighth grades. This year in the eighth grade we started the school term with twenty-four pupils. Two pupils moved away. We had a Hallowe'en party and at Christmas we exchanged names. We all received very nice gifts.

From the first of the year we had our goal to complete the work of the eighth grade and graduate. Even though this year was filled with hard work it has been a year to be remembered.

Our class was organized for the first time.

SEVENTH GRADE CLASS HISTORY

On September 8, 1942, twenty-nine eager little boys and girls were enrolled in the first grade in the Waterloo Public School. Our teacher was Miss Mildred Getts, but before the year was over she became Mrs. Roger Thomson. Five more pupils were added and our class then was composed of twenty-two girls and twelve boys. She gave us a very good start in school and at the end of the term promoted us to the second grade.

Our second grade teacher was Miss Margaret Kelly who is now teaching in Auburn. She helped us add to our store of knowledge and at the end of the year promoted us to the third grade. Here Miss Hamman gave us very valuable instruction and training in adding to our skills in reading, writing and arithmetic.

Our fourth grade teacher was Miss Cleo Dirrim. In this grade we studied some new subjects and improved in the old ones. In the fifth grade Mrs. Kuehn was our teacher. At this time there were thirty-seven members in our class. At the end of the year we were promoted to the sixth grade where Mr. Gurtner was our teacher. We find that a little more is expected of us each year.

This year we were in the seventh grade with Mr. Shore our home room teacher. Mr. McIntosh taught some subjects. Miss Thompson, Miss Altman, and Mr. Leslie also instructed us in certain subjects. We completed the year with fourteen boys and twenty girls in our class. Two girls, Beverly Maxwell and Gail Richter withdrew during the term. Two boys, John Engle and Adrian Long have been enrolled.

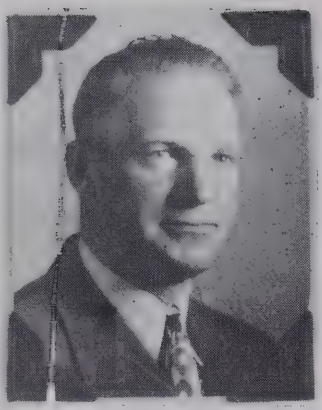
WHS
ATHLETICS

DON LONG
First Team Coach



BRUCE GURTNER
Second Team Coach

This is Don's fourth year at Waterloo. We admire him for sticking to ideals and convictions that he believes are right. His aims are to develop boys into good athletes. Through rigid training and hard work, he intends that these boys who have been good athletes will in turn be good men—men whom their school and community may be proud to claim as their former students and fellow citizens.

RONALD ROBINSON
Student Manager

Mr. Gurtner again coached the "B" team last year. He gave much time and effort in training these boys. They had a successful season under his guidance, winning ten out of eighteen games. He was not only interested in winning games but also in building character. He has tried to instill in their minds the importance of sportsmanship, training and education.

Every basketball team needs a student manager, and Ronald has served in that capacity this year. He had a big task to do and went at it with a will. Ronald has had extra duties this year in laundering the suits. He has relieved the coach of many responsibilities.

FIRST TEAM YELL LEADERS

CHARLOTTE SHULL

JOAN McMASTERS

This year the number of yell leaders was reduced to three because of the cost and inconvenience in taking them along. Charlotte and Joan have been leading yells for the first team.

SECOND TEAM YELL LEADER

CAROL ANN BUNGE

Carol Ann was chosen yell leader for the second team and she did well.

Basketball

ST. JOE . . .

The Waterloo Wildcats opened the 1948-49 basketball season on their own hardwood by entertaining the St. Joe Tigers on November 5. Neither team played a very good brand of ball, but the Wildcats set the pace and led all the way. The games ended in a 35-22 Waterloo victory.

ANGOLA . . .

On the 12th of November the Wildcats played hosts to the Angola Hornets. Waterloo got off to a quick 10-3 lead, but then Angola caught fire and led at the half 23-13. In the second half Waterloo put on a brilliant rally which cut Angola's lead to one point. The rally finally fell three points short and Angola won the game 37 to 34.

SPENCERVILLE . . .

On November 17 the Spencerville Red Raiders defeated the Wildcats in a hard fought game, 35-29. Waterloo was unable to hit in the first half and therefore trailed 17-11 at the half. In the second half both teams hit better, but the Wildcats could not gain. The Red Raiders walked off with the 35-29 victory.

AVILLA . . .

In their first conference game and first game away from home, the Wildcats were 45-40 victors over Avilla. At the half time the Panthers led the Wildcats by a commanding 28-18 count. In the second half Waterloo really went to work and outscored Avilla, 27-12. Thus, they brought back the Victory Bell, which they had won from Wolcottville last year.

PLEASANT LAKE . . .

On the first of December the Wildcats traveled to Pleasant Lake and succeeded in beating the Spartans 46-40. In the first half Pleasant Lake led most of the time, but Waterloo led at the half 16-15. Both teams warmed up in the second half, especially Bright of P. Lake, who got 25 of P. Lake's 40 points. Thus victory made the Wildcats' record three wins and two losses.

BUTLER . . .

On December 3 the Wildcats were hosts of the Butler Windmills in their second conference game of the year. Butler was hot from the start and led at half-time 24 to 14. Waterloo rallied slightly in the second half, but could not make a decided gain on the Windmills, who ended as victors. The final score was 51-40. Butler thus gained possession of the Victory Bell.

HAMILTON . . .

On December 10, the Waterloo Wildcats played host to the Hamilton Marianes. Waterloo wasted little time in building up a 12 to 6 first quarter lead. In the second quarter, Waterloo also doubled Hamilton's points and led 20-10 at the half. In the second half, the Wildcats put on the steam and coasted to an overwhelming 50-24 victory.

LIGONIER . . .

On December 17, the Waterloo Wildcats, journeyed to Ligonier to oppose the Red Raiders. Waterloo started the game with a bang and led for the first few minutes, then Ligonier warmed up and led the Wildcats at half-time 22 to 9. Trailing by 13 points, Waterloo came back for a short rally which cut the lead to 8 points, but the Raiders started building again and the rest of the game was played on even terms. The final count was Ligonier 43, Waterloo 28.

ASHLEY . . .

The Ashley Aces came to Waterloo on December 21, for the first of the two games to be played with Waterloo this year. In the first half both teams played good offensive basketball. However, Waterloo missed several lay-up shots and Ashley led at the main intermission 25-21. In the second half both teams cooled off considerably, but Ashley stayed in front and ended with a 45-47 victory over the Wildcats.

ALBION . . .

Waterloo traveled to Albion on December 29, and succeeded in beating the Trojans in an exciting game 43 to 38. Waterloo jumped to a 6-0 lead before Albion scored. Then the Trojans started to hit and went into a 10-8 lead. The second quarter was played carefully with very little scoring. The Albion Trojans pulled into a six-point lead, 26-20. The Wildcats put on a tremendous show of offense, scoring 23 points in the last quarter to come out with a 43-38 victory.

County Tournament

GARRETT . . .

In the County Tournament, which was held at Waterloo, the Wildcats drew the Garrett Railroaders. Waterloo started out fast and built up a 12 to 3 lead as they hit 10 consecutive free-throws. Garrett began to play better but Waterloo led at the quarter, 14 to 10. The second quarter was closely played with the Wildcats leading 20 to 19 at the main intermission. In the third quarter, Garrett opened up and once had a 35 to 25 lead. The Wildcats fought back and tied the score at 43-43 with about two minutes remaining. Garrett, then hit a fielder and two free-throws to win the game, 47-43.

CHURUBUSCO . . .

On January 11, the Wildcats played host to the Churubusco Eagles. The Eagles began hitting at the start of the game and led at the quarter 14-9. The Eagles managed to hold on to their five-point lead throughout the game and came out on top of a 40-35 score.

ASHLEY . . .

On January 14, the Ashley Aces returned to Waterloo for a return game with the Wildcats. The Aces wasted no time in jumping into a lead, and led 13-7 at the quarter. The Ashley five continued to hit in the second quarter and led at the half 25-15. In the second half both teams hit better, but the Aces continued to pull away, and ended up a 63-47 victor.

ANGOLA . . .

On January 21, the Wildcats journeyed to Angola, and were successful in defeating the Hornets 41-38. Angola jumped to a 7-2 lead, but Waterloo played it carefully and led at the half 19-17. In the second half the Wildcats maintained the lead by 2 to 4 points at all times and finally ended up victorious.

GARRETT . . .

The Garrett Railroaders came to Waterloo on January 25, for their second encounter of the year with the Wildcats. The game started slow with the Garrett five leading 6-1 at the quarter. In the second quarter Garrett caught fire to lead 21-8 at the main intermission. In the second half Garrett continued to hit and pulled away for a 42-27 victory.

FREMONT . . .

On February 2, the Wildcats traveled to Fremont and were defeated, in a thrilling game 40-38. Waterloo set the pace most of the way leading at the half 18-13. Waterloo pulled into a 10-point lead with five minutes to go in the game. Then the Eagles found the range about a minute to go. In the last minute and a half Fremont outscored Waterloo with the score ending 40-38.

BUTLER . . .

The Waterloo Wildcats ended their regular season at Butler on February 18. The Windmills got off to a good start and built up a commanding 31-13 halftime lead. In the second half the Wildcats played on even terms with Butler, each team getting 29 points. The final score read Butler 60; Waterloo 42.

Sectional Tournament

ST. JOE . . .

In the second half Waterloo pulled into a 10-point lead with three minutes to go. Then St. Joe put on a great rally that fell one point short of catching the Wildcats. The final score was 49 to 48.

Sectional Tournament

SALEM CENTER . . .

In the night contest the Wildcats met the Salem Cardinals and were eliminated by a 53 to 39 score. Waterloo led 2 to 0 at the start, but soon fell behind as they failed to keep pace with the sharpshooting Cardinals. Salem's halftime lead was 23 to 14. In the second half the Wildcats failed to get a real scoring drive started and finally lost by a 53 to 38 decision.

BOWERS—Chub did not play in every game, but he had a fighting spirit, and during tough opposition he usually managed to score when the going was rough.

GIRARDOT—Bob played the position of guard on the team. He played steady, always trying to do his best, and usually raised the score with his ability to drive in.

MYERS—Ross worked his way up to the first team with his speed, and ability to drive in. He also had a good record for field goals.

ROBINSON—Don usually played center position and got his share of the center tips. He did some good rebound work thus helping to keep the ball in our possession a good share of the time.

SEBERT—Slim's size was an asset to the team. His height was a big help in getting the rebounds. He got most of the jumps.

LEINS—Dutch was known for his long shots. He always worried the other team and was a good guard to put on a fast man.

FEE—Ray showed speed on the playing floor. He had a good eye for the basket and usually ended the game with a good score to his credit.

COBBS—Harley's speed on the floor made up for his size. Several times he helped to pull the team out of a slump. He had a good drive in, and usually got results.

TUTTLE—Jim had skill in handling the ball, did some good passing, and always was ready to play teamwork with the other four to win a victory.

HILKEY—Dick's height was a good asset to the team, his ability to get the rebounds was a big help. He also did his share in bringing the ball down the floor.

The second team finished the season with a fair average. We won ten games out of the eighteen season games played.

We started the first part of the season by winning rather consistently but lost several at the end of the season that should have been won. In the eighteen season games the Kittens scored four hundred and thirty-five points and our opponents scored four hundred and forty-three points.

We lost our first game of the county tourney to Butler by a score of fourteen to eighteen.

Our hope is that we have given these boys enough experience that several will make good varsity players next year.

THE BAND

The Senior Band this year limited its membership to students in grades seven to twelve inclusive. The Band's activities for the school year were highlighted by playing for the DeKalb County Fair, political rallies, and basketball games. The Band was awarded the Tri-State Marching trophy at the County Fair and also the Grand Champion ribbon for bands. Sonia Kuehn, our Drum Major, placed second.

A major portion of our concert playing last fall was for political rallies in this area. The band was fortunate in being invited to play for the President of the United States when his train stopped in Garrett. The band also played for the Republican Rally at LaGrange which featured the Governor of Indiana and several outstanding political figures. A concert was given prior to the meeting of the Superintendents' and Principals' Sectional meeting at the State Teachers' Association.

At the games this winter, our twirlers put on several exhibitions of twirling. The band played and marched for the Butler game and the Ashley game. Colored lights were used by the band to form a huge Christmas tree on the floor.

The band took part in the contest at Columbia City and the Solo and Ensemble Contest at Harrison Hill School. Pat Nodine and Jackie Overmeyer were given Superior Ratings and Rhoda Rudolph, Bessie Mergy, Pat Nodine, George Walters, Donna Vee Wolford, Karen Bisel and the Clarinet Duet placed with an Excellent Rating.

The class C, CC, D, E, and BB District Contest for Bands, Orchestras, and Vocal Organizations were held at Waterloo April 2, with twenty-nine organizations being entered. The High School Band was given a Superior Rating. And the Junior Band received an Excellent Rating. At the State Contest at Auburn April 9, we received an Excellent Rating.

The 50-piece band under the direction of Mr. Harold Long has been very successful this past year. The officers of the band are Bob Girardot, president; Joan McMaster, vice-president; Elaine Bowers, secretary; and Dixie Aldrich, treasurer.

CHORUS

The mixed chorus of thirty-seven members started the year under the direction of Mrs. Marcille Voss. In October, due to the resignation of Mrs. Voss, Mrs. Margaret Ann McIntosh became the director of the group.

As in former years, some members participated in the district chorus at Fort Wayne State Teachers' Institute. The chorus participated in the Christmas program on December 18. The selection was "O Holy Night." It also had several selections for the Music Contest in Waterloo on April 2. The chorus made its last appearance at the Baccalaureate Service for this school year.

TRIO

The girls' trio was an entirely new group this year, the former members having graduated last year. The trio sang at various local programs and took part in the Solo and Ensemble Contest in Fort Wayne on February 19.

BOYS' QUARTET

The male quartet is a beginning group this year. The quartet sang at various local programs and took part in the Solo and Ensemble Contest in Fort Wayne on February 19.

Waterloo Students Appear On The "City Desk"

On November 23, five students from the American Government class of the Waterloo High School, took part in the "City Desk" Radio Program, which is an informal discussion of the current headlines. The program was aired over Station WKJG under the auspices of the Fort Wayne Journal-Gazette.

The topics under discussion were: "The Chinese Situation," "The Berlin Air Lift," and "The Palestine Problem."

The students had a very interesting evening with a tour of the Journal-Gazette Building. They enjoyed a lunch with the representatives of the Fort Wayne Journal-Gazette after the broadcast.

A Latin Club consisting of those twenty-two students enrolled in the Latin I and II classes was organized early in the school year. The purpose of this newly organized club is to promote interest, not only in the Latin language, but also in the ancient Roman and Greek culture and mythology.

In order to build a more aggressive organization, the club members voted to invite those juniors and seniors who were former students of Latin into their club. Fifteen eligible juniors and seniors answered this invitation so that the club now has a membership of thirty-seven.

The Latin Club has adopted the words "Caesar Latin Club" as its official name and Caesar's famous report "Veni, vidi, vici" (I came, I saw, I conquered) as its official motto. Two parties were held during the first semester. The club members have also drawn up a constitution which has been officially adopted. Then, too, a club pin has been selected and ordered for each member.

Among some of the activities which have occupied the attention of the club members were the building of several Roman models, the showing of two Roman movies, the dramatic presentation of a Roman marriage and banquet, and oral reports concerning some noted Roman characters.

WATERLOO CHAPTER

SITTING: Phyllis Koon, Emogene Hilkey, Marjorie Kelley, Beverly Hathaway, Jean Shumaker, Frances Owen, Janet Meyers.
STANDING: Bessie Mergy, Donna Vee Wolford, Cleona Knott, Miss Altman, Eva Powers, Betty Bonecutter, Patricia Nodine, Nancy Boman, Barbara Gault, Nellie Rudolph, Freda Tuttle.

The Future Homemakers of America is a new organization, both in the state and nation, as well as in Waterloo. The club is an outgrowth of the many home economics clubs that had previously been organized in the high schools. It was not until 1945, however, that they were all organized into one large organization under the name, Future Homemakers of America.

The motto of the organization, "TOWARD NEW HORIZONS," expresses its purpose—learning to live better today in order that our lives and those of our families may be better tomorrow.

FHA is organized especially to further interests in home economics. All girls must have some training in home economics before they are eligible for membership. It is possible for them to attain four degrees of achievement in the club by fulfilling the standards for the degrees as outlined in the handbook.

The Waterloo Chapter was organized in November and has 18 members. At Christmas time, the girls prepared an attractive box of homemade candy for the residents of the DeKalb County Farm. In January, the program was centered around choosing radio programs. The chapter members were officially initiated and the officers installed by the Auburn FHA on January 19.

Ways of developing a pleasing personality were discussed by several of the girls at the February meeting. Five of the girls attended the meeting of the Northeastern District of the Indiana Association of the Future Homemakers of America in Auburn on February 19. March found a "Better Manners" campaign underway. The girls assisted in presenting the style show. Several of the members had the Junior Homemaker Degree conferred upon them at the end of the school year.

THIRD ROW: Max Laisure, Edison Shippy, Wayne Shuman, Ned Shippy, Larry DeWitt, Lyle Vian, Stanley Grate, Ross Myers.

The Waterloo chapter of Future Farmers of America had an enrollment of 27 members. The chapter was divided into equal groups for the annual Pest Contest. Junior Leins and Harley Cobbs were the leaders. The boys worked hard to help free the community of pests. Harley's team won.

The chapter raffled off a turkey on November 17 at the St. Joe basketball game to help raise money for the treasury. A teacher from St. Joe was the winner.

The major purposes of the Future Farmers of America are to develop agricultural leadership, co-operating citizenship, and improvement of Agriculture. Throughout the United States, the organization has grown rapidly in number of chapters and in memberships and is now considered as the largest farm-boy organization in the world.

The Waterloo Y-Teen Club, with a membership of 38 members, was sponsored this year by Miss Altman. The club has been very busy and engaged in many worthwhile events in the years of 1948-1949. There has been a meeting of the members every other week. During the basketball season, the Y-Teens had charge of the hot dog stand. At Christmas, in exchange for holly and mistletoe, we sent a box to Kentucky. We also gave Christmas boxes to a couple of local families.

We sponsored Christmas and Valentine dances. We have had charge of some very interesting programs, among which were addresses by Mr. Joseph Tucker from International Business College and Mr. Lavern from Warner Beauty College, both of Fort Wayne. We had a panel discussion on teen ager's actions. The leaders in the panel discussion were: Mrs. Margaret Ann McIntosh, Mr. Charles Overmeyer, Rev. Paul Eppley, and Mrs. Mae Shady. On March 19 in company with some Y-Teen mothers, the club visited some of the large churches of different denominations in Fort Wayne. Several of the girls attended a Y-Teen Conference at South Bend in March.

The active year was brought to a close at the end of the semester with the installation of new officers of the future senior class and the initiation of future Y-Teen members.

The Hi-Y put on a movie benefit at the local theater to raise money for the treasury. Some members attended the fall Hi-Y conference at Angola and the spring conference at Butler.

The Waterloo High School Student Council was organized in 1947 under the sponsorship of the Hi-Y. Through its organization, it was hoped to bring about a closer relationship between the student body and faculty and at the same time give the students a measure of experience in self-government through the solving of some of the school problems. The work of the Council has been rather limited during the past two years chiefly because of the inexperience of both the students and the sponsors.

It is the hope that as the years go by, through means of trial and error, that the Council will be able to share a larger part of the responsibilities of student administration. The Council is composed of four members from each of the high school classes. They are elected annually by the student body. The faculty is represented by a sponsor.
